

Dear Patient

Welcome to Woodbury Surgery Center, an affiliate of SCA Health. We are pleased that you and your physician have placed your trust in us for your outpatient surgical needs. We look forward to making your stay with us as pleasant and convenient as possible. Your comfort and safety are the first priority of the staff.

It is important that a responsible adult drive you to and from the facility and remain with you for 24 hours following your procedure. In view of the fact that you will be sedated and receive anesthesia during your visit, we cannot allow you to drive yourself home.

Unfortunately, we cannot make any exceptions to this requirement.

When you come to Woodbury Surgery Center, we ask that you do not bring any jewelry or other valuables to the center. We do ask that you to bring a photo I.D. and insurance card(s) with you. Please call your insurance company to verify the Woodbury Surgery Center is in network and that no prior authorization is needed with your insurance plan.

Payment is expected at the time of service. Please see attached pre-payment letter. We accept cashier's checks, Visa, MasterCard, Discover and American Express.

Please note, the surgery center will bill you for the facility charges. The bill from Woodbury Surgery Center will not include the services of your surgeon, anesthesia team, laboratory, and pathology.
